

REMARKS

This amendment is being presented in order to place the present application in better condition for examination. The present application is a divisional application of U.S. patent application serial number 10/070,147. Accordingly, the claims not elected from the present application are presented for prosecution herein. The specification has been amended to indicate the continuing status.

Should the Examiner wish to modify the application in any way, applicant's attorney suggests a telephone interview in order to expedite the prosecution of the application.

Respectfully submitted,

Mark A. Hixon
